### MARCH QUARTERLY MEMBERSHIP MEETING

MARCH 22, 2014

1:30 PM

BLAND COUNTY ARCHIVES  
@ MOUNTAIN HOME  
CENTER, ROCKY GAP, VA

For our quarterly membership meeting on March 22, 2014, Mr. John Dodson, Mrs. Kara Wikle, and Rocky Gap High School students have invited members and friends of the Bland County Historical Society to a presentation of student work completed during this academic year. The Bland County Historical Society attended their presentations several years ago. We are honored to be asked to return this year for our March 2014 Quarterly Membership Meeting.

The Mountain Home Center is located adjacent to the Rocky Gap School. The Bland County Archives, housed there, consist of hundreds of photographs, maps, artifacts, cemetery catalogs, and over 300 oral interviews.

The meeting will begin at 1:30 p. m. The Historical Society will be serving light refreshments. Please join us and bring your friends.

### *President's Message*

As most of you know, the office of the Bland County Historical Society has been closed for the winter. We have continued to answer research questions and fill orders while closed. On the Genealogy Corner of the website, I will be discussing some of the questions we have received recently and inviting you to lend a hand in answering these inquiries. We plan to re-open the office on Thursday, April 3, 2014 at 9 A. M.

During the next three months, we have several activities that will interest you. First, plan to attend our **BCHS quarterly meeting on March 22** at 1:30pm at the Mountain Home Center in Rocky Gap. Students at Rocky Gap High School will be offering a program about the work they have completed this year using the latest in digital technology. Then, on **April 5, 2014**, the Wythe County Genealogical and Historical Association will be holding their annual **Family History Institute** at the Wytheville Meeting Center. This year they have a great program planned. The number to call to find out about this event is found in the Calendar of Events in this newsletter. We will be having a booth selling our books at the Family History Institute. **Ceres Day** will be held on **May 3, 2014**. This event has become a real walk through the history of Bland County. At this event there are heritage demonstrations; the FFA Museum is open with its extensive display of farm equipment; a wide array of food is available for sale beginning with a sausage biscuit and gravy breakfast, followed by a beans and cornbread lunch. There will also be a flea market and yard sale. BCHS will have a booth selling our books and other items.

As we plan our activities for 2014, photographers will be interested in the **theme for our 2015 BCHS Calendar, Homes of Bland County**. We will begin accepting pictures around June 1, voting will take place during the month of July, and the calendar will be available for sale at the Festival of Leaves. See our rules about submitting pictures of Bland County Homes.

I invite you to come by and see us in 2014

#### VOLUNTEERS NEEDED

We are asking for volunteers to help us operate the office. You do not have to be a Board member to work in the office. Please let us know if you have an interest in helping us out. It requires your being present 4-8 hours on any given Thursday or Friday. It is actually quite enjoyable to talk with our patrons about the history of Bland County. And if we don't have anyone coming in, you can enjoy browsing our collections and the Bogle Library. We plan to hold training sessions so you will be aware of where things are and what to do when you work in the office. Please volunteer to help us out at BCHS by calling 276-688-0088 and leave a message.

Read the *History of Newspapers in Bland County* on our website: [www.blandcountyhistsoc.org](http://www.blandcountyhistsoc.org). and our policy for accessing. Below is a sampling of the information available in the Bland Messenger in January, 1964. It is worth noting that there was no mention of snow. It must have been a quiet January.

### **January 2, 1964**

- County Chief Fire Warden, G.R. "Park" Brown reported a total of 16 forest fires burned in 1963, damaging 640 acres. He pointed out that 99% of this year's forest fires were caused by human carelessness, the chief causes being smokers or brush and trash burners.
- Pat Jennings, Congressional Representative, reported on the 2<sup>nd</sup> session of the 88<sup>th</sup> Congress and the Health Insurance Act (what we know now as Medicare??) being proposed to establish a program under Social Security. (The Editorial Column was a diatribe on this proposal.)

- Headline: Thieves Break into Two Schools, Damage Heavy. In 2 separate events, thieves broke into the Bland School and stole \$62 and damaged doors and windows. A few days earlier there was a break-in at Bastian Elementary. Damage was done to doors, windows, locks on ice cream and milk coolers. The floor was littered with cartons and wrappings but there was also a large pot of beans on the stove. #### **Purpose of the Bland County Historical Society**

The purpose of the Bland County Historical Society is to bring together those people interested in history, and especially the history of Bland County. Understanding the history of our community is basic to our democratic way of life, gives us a better understanding of our state and nation, and promotes a better appreciation of our American heritage. The Society's major function is to discover and collect any material which may help to establish or illustrate the history of the area. It provides for the preservation of such material and for its accessibility, as far as may be feasible, to all who wish to examine or study it. Through the Society's office, the Bogle Library and this website, assistance with historical and genealogical questions is offered.
