BLAND HIGH SCHOOL

BLAND, VIRGINIA

Mr. Claude S. Stowers

Dedication

To show our appreciation for his willingness to help us in any worthwhile thing we strive to do, for all the extra work he has done in helping us to become better students, and for his determination and desire to do anything in his power to make our school a better place and the students in it better citizens, the Senior Class of 1960, proudly dedicates this edition of the ECHO to our home-room teacher for the past four years, Mr. Claude S. Stowers.

The Senior Class of 1960 wishes to pay tribute to a man of unusual capabilities whose sincerity, generosity, kindness, and deep-seated interest in the individual and the school for the past two years, won for him the admiration of every student and every co-worker. Although he is no longer a member of our faculty we still think of James E. McCoy as our beloved assistant coach and friend.
