THE ECHO

*Published by the
Senior Class of
Bland High School

Dedication

We, the Senior Class of 1966, in order to form a more perfect school, establish a firmer administration -- student relationship, insure a lasting tranquillity, provide for the defense of students' privileges, promote the welfare of the student body, and secure the respect of the underclassmen for ourselves and our successors, proudly and humbly in sincere appreciation, dedicate this, the 21st edition of THE ECHO, to our New School, our Parents, The School Board, The Board of Supervisors, The Faculty, and all who have made our progress in education possible.
