Congratulations son!
 It has been an amazing
 journey watching you grow
 up into a handsome young
 man. I can't wait to see what
 your future will hold! Never
 change that determination
 you have in life and you will
 go far.

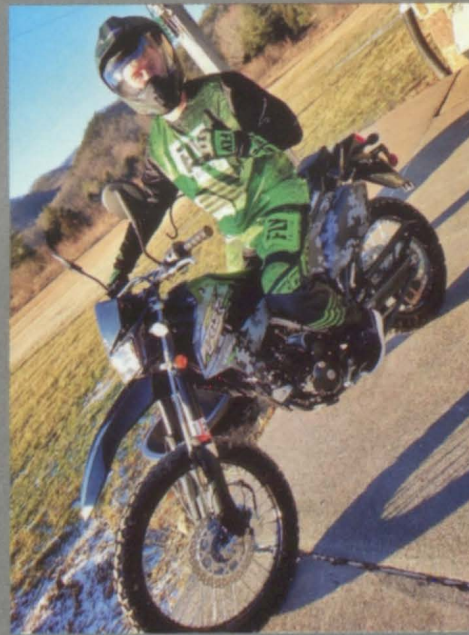

"Remember you are braver
 than you believe,
 Stronger than you seem,
 Smarter than you think, and
 Loved more than you will
 ever know."

We love you "Smiley."

Brianna Faith McBride

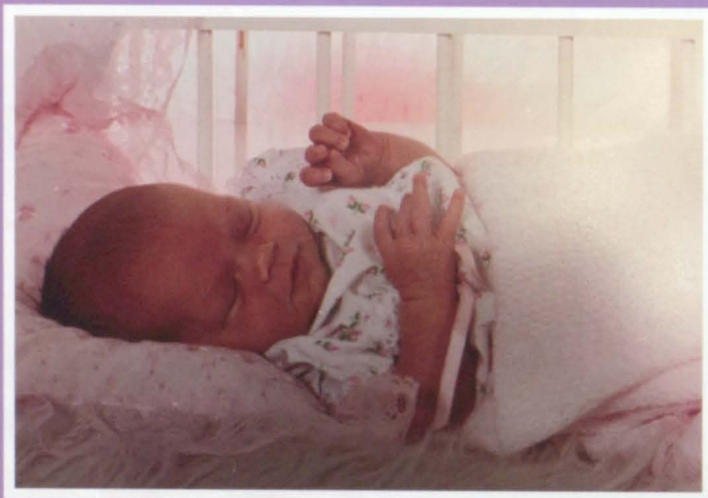

It seems like yesterday that you were born, and yet you're about to start a new chapter in your life. Through many adventures and challenges that you will face, always remember that we love you and will always be here for you!

Love,
Mom and Dad

I'm not letting you leave
for college!

Love your lil sis,
Leah

RU

Dear Lexie,

Look into the paths ahead,
Everything written has yet to be read.

When you close the current chapter
Tomorrow's truth will come soon after.

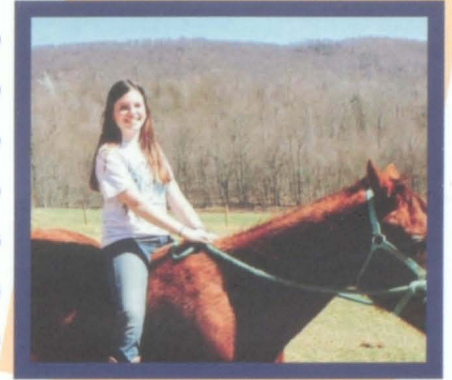

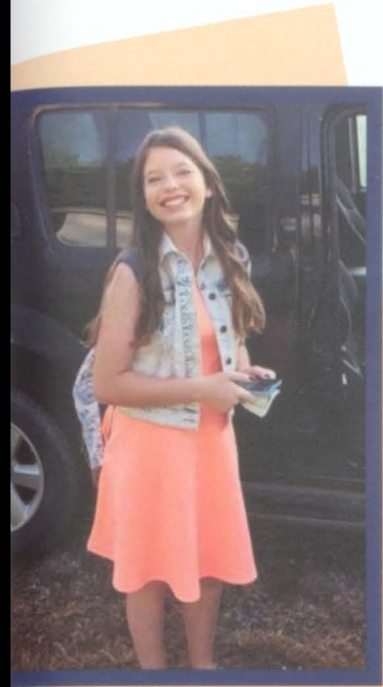

Enjoy the ups, embrace the downs,
Sing new songs with loving sounds.

As you tell what you've been told,
Be open to what the future holds.

You are loved from afar,
Every day for who you are.

Many miles can thwart a hug,
But nothing hides a family's love.

Congratulations and Love,
Your family

Tristen Paul Dillow

Tristen,
We pray that you have a long, prosperous life, and always believe in yourself and your dreams. Your life is your own personal story. Make it count. Always have values and Never measure your self-worth by your net worth. Love, and a kind heart, will take you much farther. Create a life of meaning and purpose and always work hard for what you want. We are so proud of you!

We love you, Dad, Mom, & Kayla

Robert Hunter Allison

Hunter,
Where has the time gone? You are no longer the little baby that was placed in my arms 18 years ago. You are a grown man, that towers over me and a beard covering your face. I want you to know that I am very proud of you and there is absolutely no doubt in my mind that you will succeed in life. I am blessed that I was chosen to be your mommy. Please, always remember that you are my greatest gift, and that I love you with all of my heart.

Congratulations My Son!

Love,

Your mommy.... your biggest fan

As You Go to College

While you're away at college,
I'll think of you each day.
But before you leave,
there are just a few more things
I really need to say.

You've made me proud
as I've watched you grow,
now it's time for you to fly.
So take a step and don't look back
because you may see me cry.

Remember all the important things
I taught you through the years.
Study hard and have some fun
and you'll work through your fears.

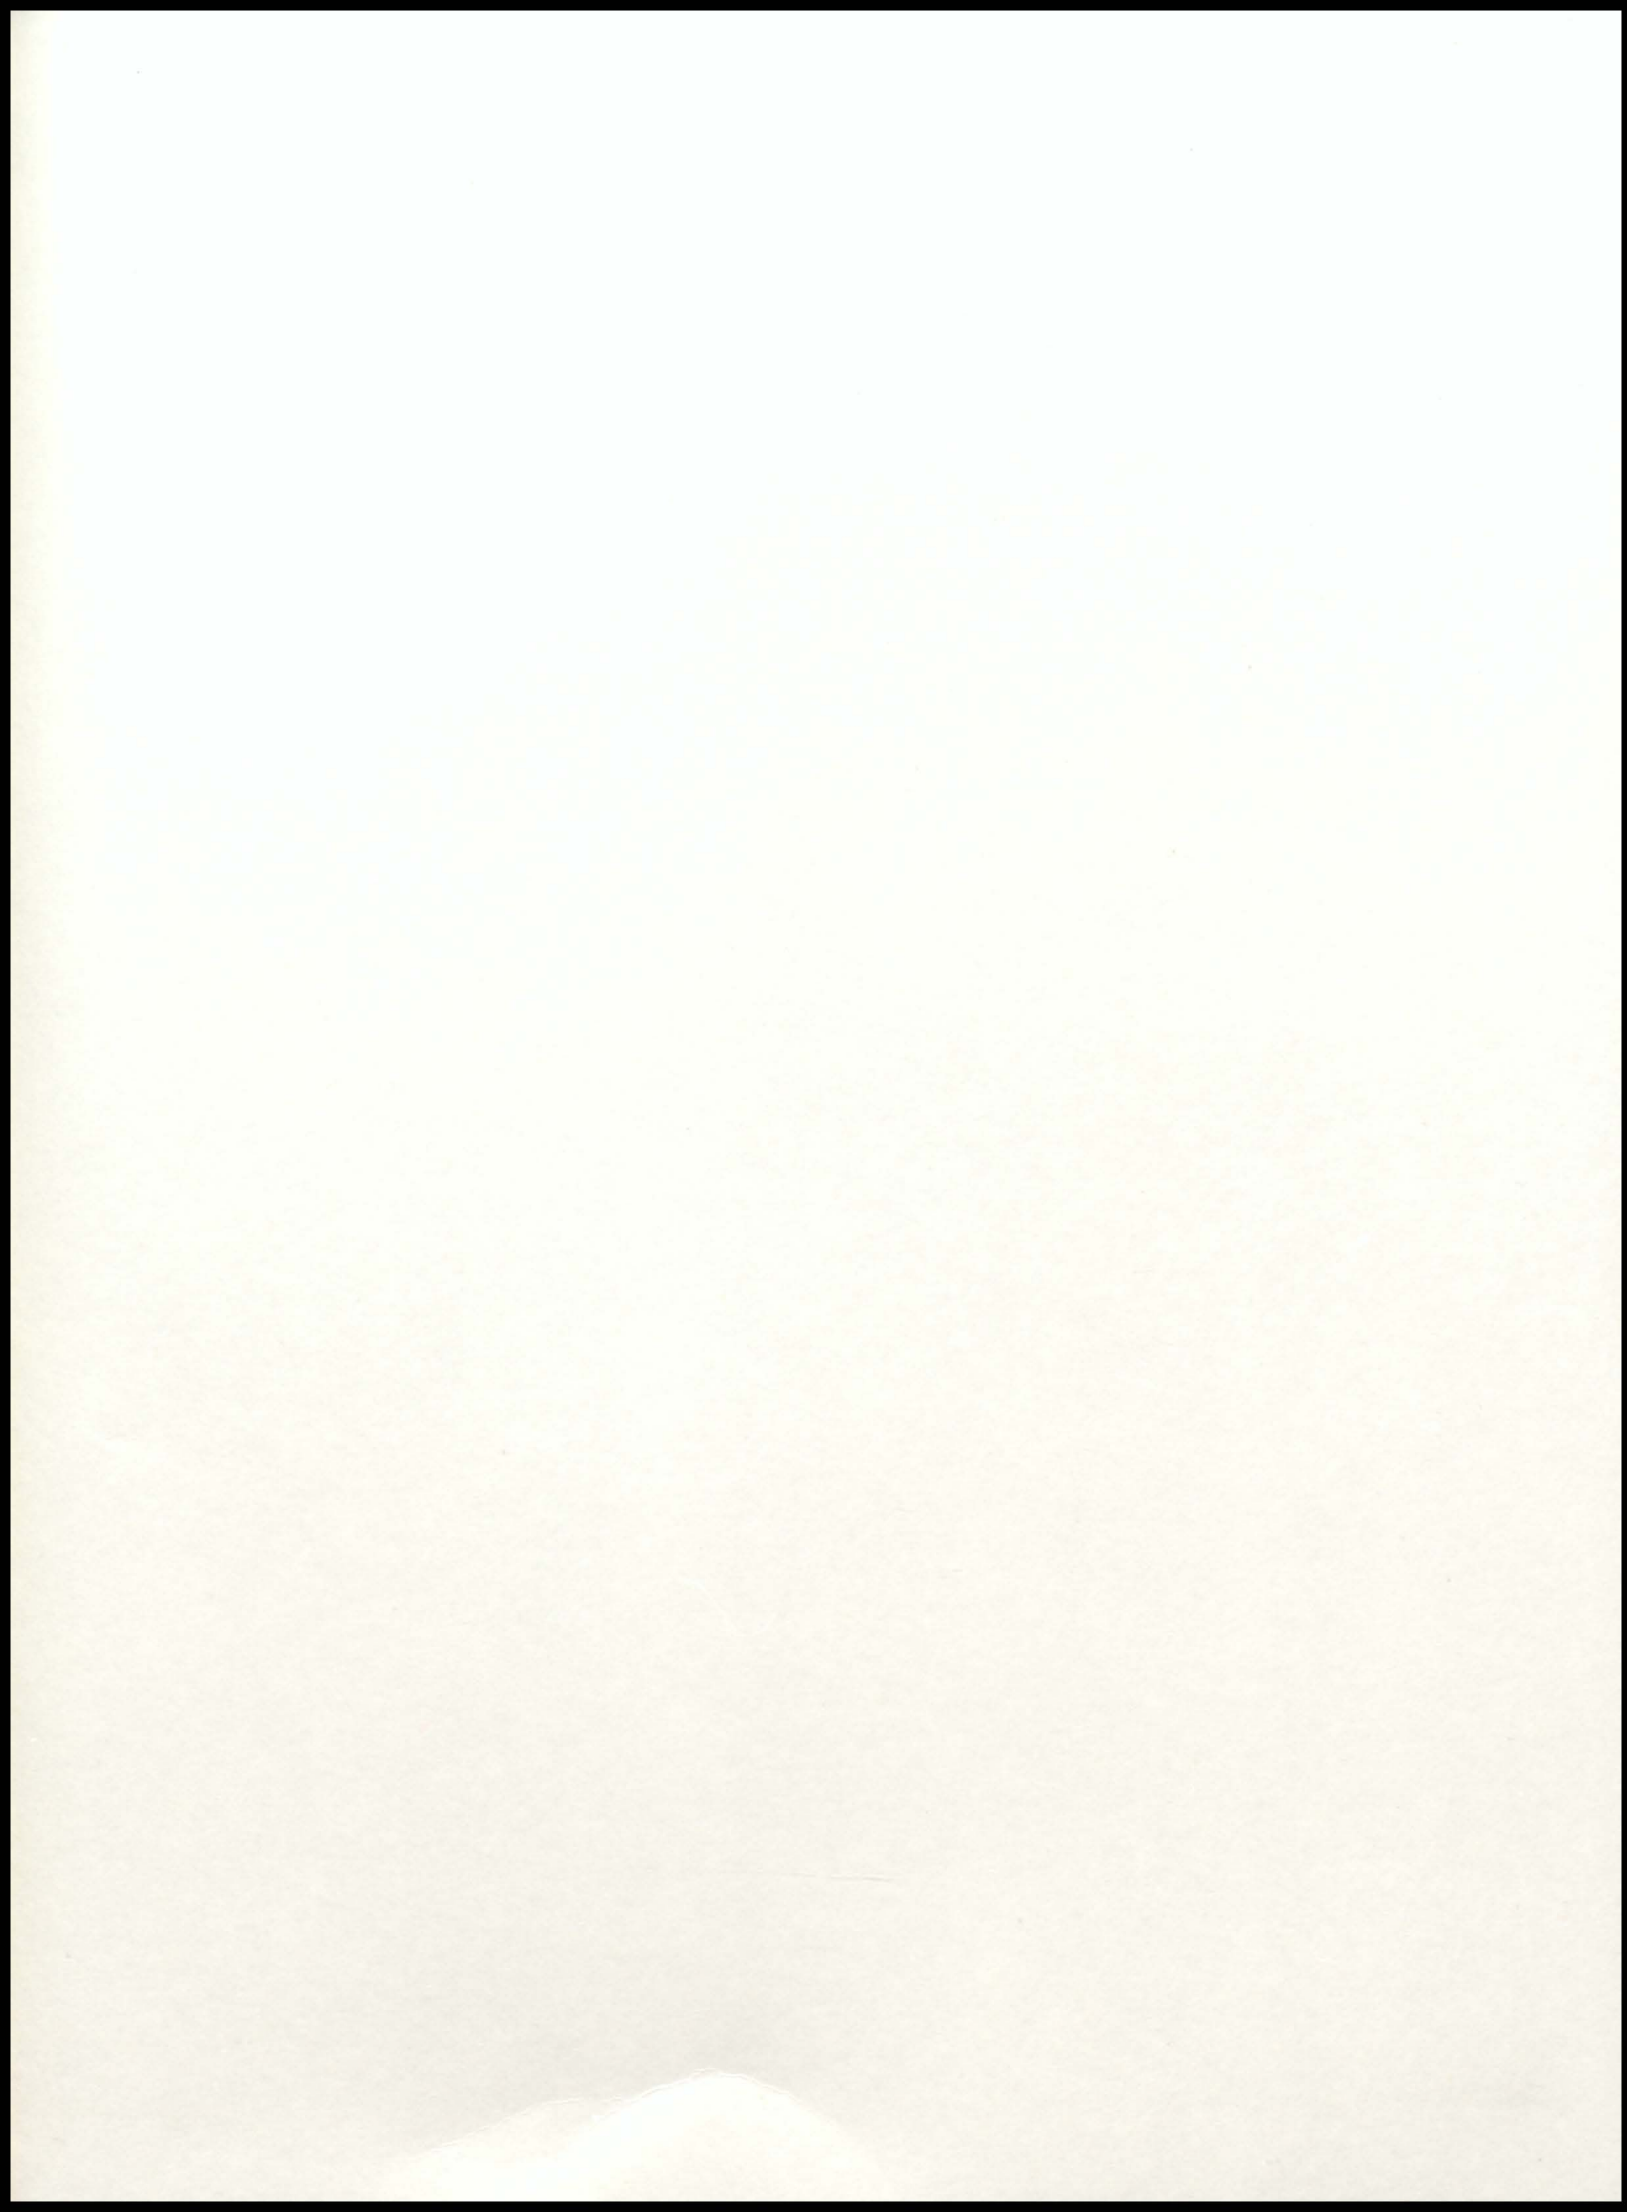

Make the right decisions
as if I were standing by your side.
You've grown to be a beautiful woman;
you fill my heart with pride.

Keep all our memories with you
and I'll be close at heart.
Know my love and support are always there
even though we are apart.

You can do anything you set your mind to.

I love you with all my heart,
Mom
