**My Dear Grandson,  
Always remember how much  
I love you.  
As you grow older you  
will face many obstacles in  
life. Stay strong, be confident  
and just do your best.  
Should there be a time  
when I'm no longer with you,  
just know that I believe in you.  
You were and always will be  
the best thing that ever  
happened to me.  
Love,  
Nan**

It seems like yesterday that you were born, and yet here you are about to start a new chapter in your life. Through the many challenges and adventures you may face, always believe in yourself and your dreams. Your life is your own personal story so make everyday count. I pray you have a long prosperous life full of values, that you have an open mind to what the future holds, and that you always remember you can do anything you set your mind to. You're a beautiful young woman that fills our hearts with pride and we will always support you because we love you very much!

# Dedication + Nurse Mary Ellen

*Whether calling parents, giving medications to kids, filing paperwork, sorting the mail, picking up grass clippings off the school lawn, hunting down supplies, speed walking between the two buildings to check on students, helping in the front office or cafeteria, we never know quite where Mary Ellen is going to turn up next to lend a helping hand or say something unexpected to make someone's day brighter.*

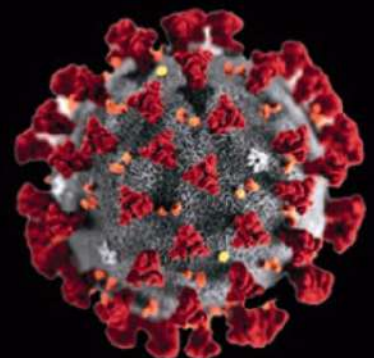

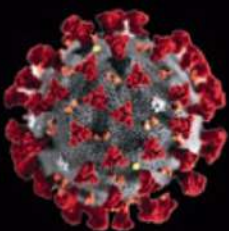

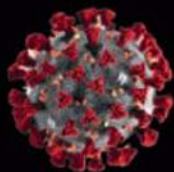

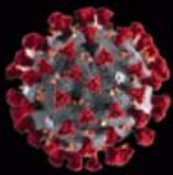

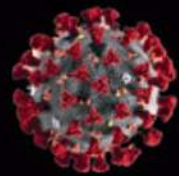

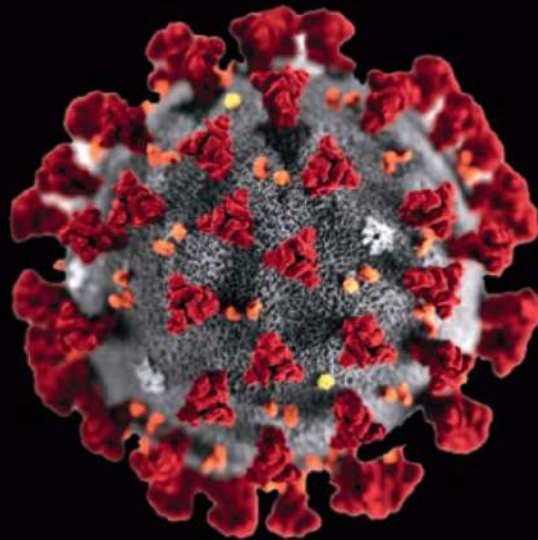

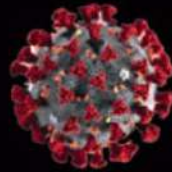

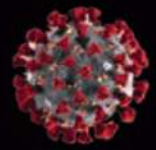

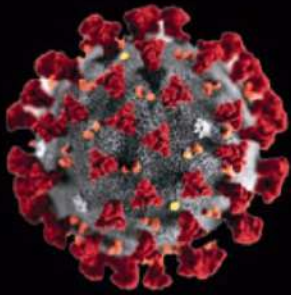

*Mary Ellen,*

*Words are inadequate to describe your tireless dedication and service that you have sacrificially given to the students, your co-workers, school, and community over the years.*

*Rest assured your commitment will be missed; your spirit and sense of humor will never be matched; and your shoes will never quite be filled the same unique way.*

*Many thanks for your caring ways and unforgettable impact on lives.*
