Dedication

DEDICATION

We, the Seniors of the 1945-'46 class dedicate "The Mountaineer" to those who gallantly and heroically gave their lives to defend our rights and privileges in World War II from our community. To their loved ones we give our deep heart felt sympathy. We and the whole community share their loss and their memory will go with us for always.

They are: Owen Wilson, a graduate of the class of 1939, who entered service June 22, 1942, and left Tuson, Arizona for Hickom Field, Hawaii. Sgt. Wilson was killed instantly April 22, 1943 at Funafute Island by Japanese fire.

Robert Oren Repass, graduate in the class of 1940, and was a plumber at Portsmouth before he entered service December 17, 1943. He was in the 5th division of the 3rd army and was killed Jan. 25, 1945.

William Bogle, attended school from 1916 until 1927. He entered service Jan. 1944, and was later stationed at Breast, France where he was killed. Pfc. Bogle, being wounded in combat Sept. 2, 1944, and died Sept. 7, 1944.

Frank Kitts, Jr. entered service January, 1940 and became T/Sgt. He was killed in action in Germany and was buried in Belgium.

Jimmy Burke, a graduate of the class of 1939, entered service April, 1942. He was killed in action in Normandy, France, July 13, 1944.

CLASS HISTORY

We believe that it is safe to say that our Senior Class is one of the best, at least one of the most outstanding that has ever gone through Ceres High School.

As freshmen we were glad to say that we were at long last in high school and thought little about becoming seniors. As Freshmen we were: Lucy Hounshell, Bertha Hayton, Alma Umbarger, Janice Harner, Geneva Smith, Margie Becker, Elizabeth Creggar, Don Foglesong, Harold Foglesong, George Lambert, Jason Burke, Bill Catron, Otho Cassell, Garnett Hubble, Earl Repass, Bobby Hubble, Francis Groseclose, Troy Peck, and Fred Williams. A great step in our lives was over at the end of our freshmen year.

We next found ourselves sophomores but regret to say that on entering the class some of our former class mates were absent. They were: Margie Becker, who entered Rural Retreat High School as a student, Elizabeth Creggar, who chose matrimony, rather than become a Senior with the rest of us, Garnett Hubble, who chose to be the master of his own home, Earl Repass, who thought the road to seniorhood was too rough for him, Troy Peck who quit school to work on his father's farm, and Fred Williams, who chose Maryland for his home instead of Ceres. We welcomed to our class Mabel Creggar, a former student of Rich Valley High School and next Marguerite Neil and Anna Lee Thompson, who had fallen by the wayside the year before. At the end of our sophomore year we had climbed another step toward seniorhood.

We then became Juniors, but becoming so we lost Alma Umberger, who could not continue school because of ill health, George Lambert, who quit school to work, and Bill Catron, who was stricken with infantile paralysis. We welcomed into our class Donald Hubble, formerly a member of Rich Valley High School. At the end of our Junior year we had climbed the third step to seniorhood.

At last we became Seniors, a title for which we had been working for what had seemed like a long long time but really had been just three short years. We regret to say we lost two members, Jason Burke, who is a student of Wytheville High School and Lucy Hounshell, who chose the title Mrs. Ralph Brown instead of the title, Senior.

We have worked hard to become Seniors and to show our respect for Seniors of next year. We gave the Junior Class a weinners roast and then took them bowling.

As we move on, we will all remember the good times we had and forget the unpleasant ones, for such is life. The friendship and memory of Ceres will ever be with us like a spring morning after an April shower.

PROPHECY

Oh, Gee! This crystal is getting dimmer. No, now it is clearer. Now I see Donald Foglesong, who has just received his Horse Doctor Degree at Blacksburg. My Goodness! He's practicing on a cow. Oh! my the light is flickering. I don't see why but it must be because it is a far off view. It's Geneva Smith, I mean Mrs. Harry Wilson, carrying a cool glass of water to her husband. They are making their home in Ohio. Gee! Is the light glittering now? Why it is the reflection of the reflection of the typewriter of Marguerite Neil, the cute little stenographer who has just finished some reports for the Ceres Hosiery Mill. Manager, Donald Hubble, he is saying: "Marguerite, would you like to go to the movies tonight?" She smiles answering, "Yes, Darling." What is this now? Why it's a mustache and it belongs to Otho Cassell and he is out with that pretty Dorothy Lamour. Now I see Mabel Cregger bending over the bed of a wounded soldier. She seems to be a close friend of his. Gee! This is a clear picture. I can see Harold Foglesong sitting in Brigg's Stadium watching his former classmates, Bobby Hubble and Francis Groseclose playing in the American League against each other. Francis is catching for the Detroit Tigers and Bobby is playing third base for the New York Yankees. What a game! My Gosh! There is a Navy Nurse with some Naval Officer. He is short, fat and quite handsome and the nurse is Anna Lee Thompson. Look who's in it now! It's Mrs. H. G. Gynn, Jr., the former Janice Harner, tidying her new brick bungalow. Now who could that be that seems to be so far away? Why it's Mrs. David Hubble, the former Bertha Hayton, on her honeymoon in Canada. As the crystal gets dimmer I can see Bertha and David starting for a hike. Now the crystal is blank so "Adios".

CLASS WILL

We, the Senior Class of 1945-'46 being of sound mind (in spite of what our teachers and classmates may say) and of a disposing disposition, wish to leave to our classmates of Ceres High School our brilliant mind and other important objects which we have found useful.

To the chewing Juniors, we will the "gobs" of gum that are stuck under the tables and desks.

As individuals, we will the following:

Anna Lee Thompson wills her ability for playing basketball to Mildred Bruce.

To Josie Hubble, Bertha Hayton leaves her nice curls and quiet ways.

Marguerite Neil wills her fondness of riding in a Chevrolet Truck to Aileen Morris.

Janice Harner wills her hopes of matrimony to Dorothy Crabtree.

Geneva Smith wills her quiet ways to Catherine Davis.

Bobby Hubble wills his cornfield stride to Nell Terlow.

Otho Cassell wills his big feet and his mustache to Junior Peery.

Donald Hubble leaves his shyness to Elizabeth Neil.

Donald Foglesong wills the school paddle (of which he has had much access) to John Terlow.

Francis Groseclose wills his tendency of holding hands to the shy principal.

Last but not least, to the loyal and inspiring faculty we will our tears and moans so that they can pass them on to the Seniors of next year.

We feel that this will is complete as it is. We leave as executors, Miss Hazel Waddle, Mr. J. E. Rutrough, Miss Ruth Crabtree, Mrs. W. T. Allen, and Mr. J. M. Thomas.

Signed: *Mabel Cregger*

SENIOR PLAY "THE WHOLE TRUTH"

On May 17, 1946, the Senior Class presented "The Whole Truth" a comedy in three acts, which brought to Ceres more than the usual entertainment. Flawless acting, superb directing of Mrs. W. T. Allen, as well as the talent of the cast made the presentation one of the best to ever be shown to an audience at Ceres High School.

The characters were:

Mr. Joseph Martin, the father ----- Harold Foglesong
Mrs. Mildred Martin, his wife ----- Janice Harner
Johnny Martin, their son ----- Don Foglesong
Elizabeth Martin, their daughter ----- Mabel Creggar
Helen Martin, Mr. Martin's sister ----- Bertha Hayton

JUNIOR CLASS HISTORY

Allow us as Juniors of this year to give you a synopsis of our past history. Only two years ago in the fall of 1943 we entered high school very proudly taking the name of freshmen. We thought our accomplishments of our past very great only to find a still greater need for work to achieve a high school education.

As freshmen our class consisted of sixteen members: Stella Hubble, Anne Tilson, Anna Catherine Davis, Irene Atkins, Josie Hubble, Gertude Deakins, Edna Purcell, Elizabeth Neil, Alta Maye Winesett, Allan Burke, Arch Thompson, Paul Scott, Jr., Harry "Bud" Scott, Troy Tibbs, Garnett Hubble, Graham Hancock, Otis Hubble, Jr., and Thornton Umbarger.

Our freshmen year soon ended and in the fall of 1944, we took the title of sophomores, regretting the loss of four members Troy Tibbs, Gertude Deakins, Paul Scott, Jr., and Harry Scott. To repay for our loss we gained another mark toward our goal as Seniors, also two new members, Lois Williams, and Ovella Creggar were added.

Almost before we realized it we were Juniors. Our class of sixteen was greatly diminished by the loss of Edna Purcell, Lois Williams, Ovella Creggar, Garnett Hubble, Graham Hancock, Allan Burke, Thornton Umbarger, Arch Thompson, and Otis Hubble, Jr., So far we had been successful and our hopes for the future were joined by Bill Catron.

Our one most outstanding activity of the year was entertaining the Senior Class with a Junior and Senior Banquet, April 25, 1946, at 8:00 o'clock in the high school auditorium. The auditorium was beautifully decorated and a delicious plate was enjoyed by all. An interesting entertainment was furnished by members of the sophomore class.

Our senior year is just ahead and we will have to face its many difficulties, but our confidence is with those who will help to make us successful.

BOYS-BASKETBALL

The Ceres High School boys got off to a slow start this season because there were only two experienced players on the team. Although the team lost more than half of the games they always had lots of fun and came out cheering. The team sincerely believes that their success is due to the splendid coaching of Mr. J.E. Rutrough, who has been coach here since 1939.

The eight best players from Bland County were chosen from those who played in the county tournament. Two of these players, Francis Groseclose and Bobby Hubble were chosen from the Ceres team.

For their outstanding atheletic ability during this term the following boys will receive letters. They are: Francis Groseclose, Bobby Hubble, Curtis Stowers, Bill Groseclose, Don Hubble, Harold Foglesong, Otho Cassell and Don Foglesong.

GIRLS BASKETBALL

This year our basketball team was made up of inexperienced players since four of our first team players graduated last year. Our coach, Miss Marie Crabtree and managers Miss Nora Mae Hubble and Miss Ruth Groseclose have worked faithfully and hard for the team all year.

The team played in the county tournament and was defeated, the score being 34 to 36. The players worked faithfully and showed good sportsmanship in all the games. The season ended with a joint party and the awarding of basketball letters to the outstanding players.

CERES

F.F.A.

FUTURE FARMERS OF AMERICA

The Ceres F.F.A. Chapter has had a very successful year under the direction and supervision of Mr. Rutrough, our advisor. We have one of the best chapters of recent years.

Last year chapter members netted \$2,512.39 from sixty-two acres of crops, \$1,061.20 from 684 head of poultry and \$1,416.07 from 113 head of livestock. This year chapter members are carrying for their projects 84½ acres of crops, 1,205 head of poultry, and 111 livestock projects.

Last year two chapter members, Donald Foglesong and Francis Groseclose, were awarded the State Farmers Degree. Four more boys are planning to try for the degree this year. Also this year one boy is going to enter the District Public Speaking Contest. A Degree Team has been organized and plans made to compete in the District Team Contest.

We started a purebred pig club at the beginning of school. The chapter purchased a purebred sow pig and awarded it to Francis Groseclose, our chapter treasurer. When his sow farrows, he will return two sow pigs to the chapter. These pigs will be given to two more boys who in turn will return two pigs each to the chapter. This is one way that the chapter is helping more boys to carry more purebred livestock projects.

The chapter gave a play, "Have A Heart", April 5, 1946, with an all boy cast. The cast was made up of six senior boys.

In addition to this, the chapter set out shrubbery to beautify the school ground. F.F.A. boys have sold garden seeds, D.D.T., and certified seeds to farmers and have done a number of jobs for farmers, such as pruning apple trees and docking and castrating lambs to help them in their work. Chapter members have donated and helped in the Red Cross Drive and the Polio Drive. The Chapter donated five dollars to these drives.

The F.F.A. Chapter has been holding monthly meetings when it is possible.

A Father and Son Banquet was given in April by the chapter.

We have a challenging and most promising program of work and only with the patient and constant assistance of Mr. Rutrough can we carry out the full program.

The officers of the chapter are:

Objectives For The Year

- To become an affiliated club of America.
- To add more money to our treasure for a Home Club Cottage.
- To make and plan a playground for the small children.
- We plan to pay our dues to our camp at Mortots Beach, and to send delegates to this camp.
- To have a definite program topic in each meeting each month.
- To have definite good projects in our club work at school and at home.
- To add a \$60.00 library to our department this year.
- To add some new furniture to our department, a radio, a studio bed couch, and a teachers desk.
- To try to keep accurate account and to study budgeting in the home.
- To give parties to the small children and as we do this to study child and socials for the child.
- To contribute to the Junior Red Cross.
- To contribute to the infantile paralysis drive in our school.
- To give and pack Christmas boxes for the soldiers in the army through the American Legion.
- To give aid in the community where it is needed.
- We are adding a piece of furniture to the Methodist church parsonage.
- We have had a demonstration in the cannery and we hope to be better prepared to help our mothers preserve food for the future.
- We have studied a unit on good grooming and have tried to put this into practice.
- We exchanged classes with the Aggie teacher and studied repairing things in the home and culling chickens, while the boys learned to prepare a meal, select good nourishing food, to patch and to darn a snare in clothing. They also studied good manners in every day life.
- Our plans are to continue our meetings through the summer and to take some worth while projects to work on.

BETA CLUB

The Beta Club is a National Club made up of students who have an average of B or over. The three cardinal ideals of the Beta Club are Achievement, Character, and Leadership. We, the Beta members of Ceres High School have tried and will continue to try to carry out these ideals and make our Beta Club a standard club.

Our club sold approximately \$3,000.00 worth of bonds during the Seventh Victory Loan Drive.

4-H CLUB

The 4-H Club, one of the oldest and most active of our school, was organized in about 1938 by Mr. Sam Buchanan with Miss Nell Hudson as sponsor.

The 4-H Club emblem is the four leaf clover with the four H's which stand for Heads, Hands, Heart, and Health.

Our club has a regular meeting each month under the leadership of the program committee.

Each club member is carrying a project to help him to be a better leader in his home and community. The projects are in the nature of livestock or poultry, which help in individual initiativeness.

We plan to have our regular meetings during the summer and also have our 4-H Club Camp with the clubs of the entire county.

For the last three years our sponsor has been Miss Marie Crabtree.
