

THE MOUNTAINEER

1951

DEDICATION

We, the Senior Class of Ceres High School, take great pleasure in dedicating this 1950-1951 edition of the Mountaineer to our beloved sponsor for the past two years.

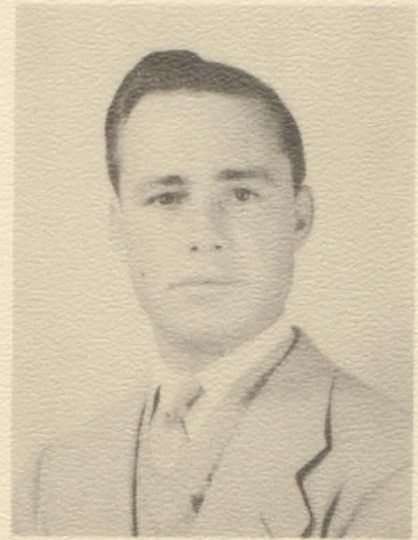

Her kindness, understanding and her willingness to help us in all our school activities - plays, annual, banquet, parties and helping us decide our future careers are but a few of the qualities we admire in her.

To Miss Ruth Crabtree, Home Economics teacher at Ceres High School, who has been an inspiration and guide to us during our four years in high school, we dedicate this, our Senior Annual.

Ceres has had a very successful year having won eight games and losing three. High scorer for Ceres was Eleanore Hall with 215 points followed by Louise Cassell with 98. Amy Cox and Billie Jo Compton scored approximately 70 each.

We could not have had such a successful year without the able help of our guards Justine Hanshew, Peggy Hubble, Flectia Atkins, Ada Hubble and Jean Atwell. Under these Ceres guards our opponents were unable to score.
