ROCKY GAP HIGH SCHOOL  
Rocky Gap, Virginia  
Second Edition

For her straightforwardness, her loyalty to the students, for fairness, her high standards, her devotion to the school, and her never-failing sense of humor, the Seniors of the Class of 1954 gratefully dedicate this annual to Mrs. Jean Sands, Home Economics teacher.

## DEDICATION

# PRINCIPAL

Because of his untiring patience and his willingness to help, we, the members of the 1954 "Rogahi" staff, feel it would be almost impossible to attempt a further review of our school without first paying tribute to Mr. Garland L. Updyke, our Principal. His kind personality and sense of humor; his willingness to help as teacher, counselor, and friend, which is always needful in making any school year a success.

*Best of luck,  
Jean Sands*
