ROCKY GAP HOME ECONOMICS DEPARTMENT

The Rocky Gap High School home-economics department is well-equipped for the training of girls in sewing, nutrition, cooking, and the importance of housekeeping. Mrs. Jean Sands is the instructor of classes in this field and is sponsor of the Future Homemakers of America. The department has just recently been remodelled and several new appliances have been added.

The vocational agriculture department is one of the best equipped in the state. Mr. Mahlon Rudy teaches classes in agriculture and shop for boys who live on farms and are interested in farming as a career. Students in these classes are automatically members of the Future Farmers of America. They enter district and state contests each year and sponsor various service projects for the school and community.

DEDICATION

D-E-D-I-C-A-T-I-O-N

It is with sincerity, devotion, and gratitude that we, the ROGAHI Staff of 1960, dedicate this edition of the Yearbook to one who has served us efficiently, patiently and graciously as he always exhibits the virtues of sincere friendship, fulfilled the role of adviser when we were in need of courage and guidance, and labored to mold not only our minds but also our characters.

No words of thanks and praise are too high to express the depth of our feeling for this great man who at one time or another, has given each one of us a helping hand in a time of need. So, we hope that this yearbook will bring back some fond memories in years to come.

We are honored to dedicate this yearbook to Mr. Earle Crabtree.

PRINCIPAL'S MESSAGE

To the Rogahi Staff:

Congratulations to the Rogahi staff, their Sponsor, and to all who have contributed to the successful edition of this yearbook.

May the Class of 1960 be one of noble ambition and choose always the way that seems the best, however rough it may be. Custom will render it easy and agreeable.

Remember the important thing in life is not so much the ability to do good work as the ability to create conditions in which it can be done.

Thanks for your help and cooperation during your high school days. Your contributions have made Rocky Gap High a better place for the training of future citizens.

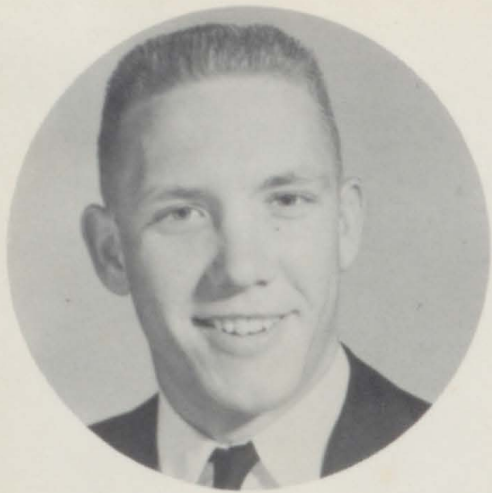

Sincerely,

Garland L. Updyke
