The year is quickly drawing to an end  
Of sad farewells of teachers and friends.

It was an era of time that we'll never forget;  
Come sail away; our destination is set.

The foregoing years are a memory in mind,  
As we venture into life; happiness to find.

The experience we gained helped to set a straight course;  
Never veer from the truth; never drift from the shore.

Aim for the best, set your sights high,  
Never stop believing, reach for the sky.

Because without your dreams, what do you possess?  
Reach for the stars; don't settle for less.

How fate will have it, no one can know,  
Only you can determine the way that you'll go.

So climb aboard our vessel of time,  
As we bid our classmates a sad goodbye.

Goodbye, my friends, to a time long past,  
To a time that we all hoped that would last.

## Halloween Carnival 1983

Students, parents, and teachers gathered at RGHS on the night of October 28, 1983, for the activities of the Halloween Carnival. Our gym was transformed into a colorful Halloween motif. The gym decorations were designed and arranged by the Homeroom Mothers. The money from the booths and from the contestants' cans yielded a total of \$5,529.54, which was divided among the PTA, Homeroom Mothers, and the school. The newly crowned king and queen, Leslie Payne and Stacy Viers, were from the freshman class, which raised the most money for the carnival.

today's . . . and future expectations  
become realities — graduation, a job,  
college, a home — you assume new responsibilities.

Just as we do. Because when  
customers need electric service, we are  
obligated to provide it.

And we always knew that you  
and your classmates might one day be  
our customers. That's why we started  
planning for today ten years ago, so that  
we could provide electricity for the life-  
style you choose.

We hope we can supply elec-  
tricity for all your tomorrows, too.
