DRESS TO IMPRESS!

ROCKY GAP HIGH SCHOOL

We may not be number one.
Where we come up short we double in fun.

We know each classmate by first and last names.
We even know on which bus they came.

We chose our colors — green and white.
We want you to know we do all right.

Our ball teams are small, judge us not by our size.
Small packages sometimes bring a nice surprise.

We will share the memories when our school days are through
Of those wonderful times at Rocky Gap High School.

HARDWARE AND SPORTING SUPPLY

When
tomorrows
become

today's . . . and future expectations
become realities — graduation, a job,
college, a home — you assume new responsibilities.

Just as we do. Because when
customers need electric service, we are
obligated to provide it.

And we always knew that you
and your classmates might one day be
our customers. That's why we started
planning for today ten years ago, so that
we could provide electricity for the life-
style you choose.

We hope we can supply elec-
tricity for all your tomorrows, too.
