On February 4, 1947, Charles Edward Puckett came into this world as the bouncing baby boy of Mary and S.J. Puckett. In the fall of 1953, he began school at Rocky Gap. For twelve years he faithfully attended this institution, doing school work, chasing girls, and playing basketball. His senior year was a special year; with hard work and dedication their team won the state championship in 1965.

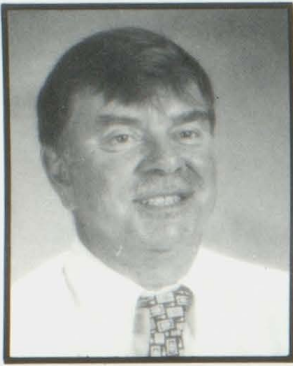

After graduation, he went to Bluefield College where he received an A.S. degree in general science and furthered his education at Virginia tech achieving a B.S. in biology with a minor in chemistry.

This accomplishment brought with it the opportunity for a real job. He began his first teaching position at Annie B. Jackson Elementary School in Sussex County. In 1971, he landed a position at Rocky Gap Combined School as science teacher and basketball coach. While teaching and coaching, he still managed to find time to complete a masters degree in secondary education from Radford University.

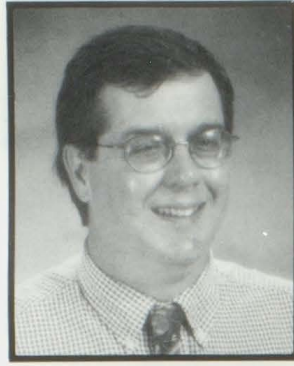

In 1982, Mr. Puckett decided to venture over into our neighboring county of Tazewell for a new teaching experience; middle school. His love for basketball also took him to the high school in the evenings as their basketball coach. A science position became available at Tazewell High and he left the middle school in 1984.

A wonderful opportunity became available in the fall of 1985; to return to his home school in Rocky Gap and serve as principal. As well as being principal, he has also been our basketball coach for the past eight years. With the decision of retirement at the close of this school year; Mr. Puckett will have more time to golf and study astronomy.

For your devotion of many hours to our school, we thank you and dedicate the Two Thousand and One ROGAHI to you, Mr. Charles Puckett.

*Bradley Austin Dillow
Class of '98'*

A friend to all,
A big brother to many,
A smiling face when things
Weren't going the right way.
He had a shoulder to cry on,
And a Harley to ride on,
He was always there and
Never let us down.
He will be cherished in our
Hearts for all times.
We Love You Bradley!

GOOD LUCK SENIORS
